RIDPATH is recognized as America's greatest historian. He was a strong advocate of the rights and liberties of the common people. In 1896 he was the Democratic Nominee for Congress in his home district, and received the warm support of the Leader of the Party. He was a great man and a great historian. Dr. Ridpath is dead but his work lives. He devoted his entire life to writing the History of the World. It is absolutely accurate and impartial, and commands the admiration of the English speaking world.

THE REASON for Dr. Ridpath's enviable position as an historian is his wonderfully beautiful style, a style no other historian in any generation has ever equaled. He pictures the great historical events as though they were happening before your eyes; he carries you with him to see the battles of old; to meet kings and queens and warriors; to sit in the Roman senate; to march against **Saladin** and his dark skinned followers; to sail the southern seas with **Drake**, to circumnavigate the globe with **Magellan**, to watch that thin line of Greek spearmen work havoc with the Persian hordes on the field of **Marathon**; to know **Napoleon** as you know **Roosevelt**. He combines absorbing interest with supreme reliability and makes the heroes of history real, living men and women, and about them he weaves the rise and fall of empires in such a fascinating style that history becomes as absorbingly interesting as the greatest of novels. Hundreds who read this have decided to buy Ridpath **some day; now is the time.** No need for us to tell you about Ridpath. The English-speaking world has pronounced this the only history of the world worth having. It is endorsed by Public Men—Educators—Business Men, and everybody who knows history.

THE COMMONER

Why You Ought to Buy Ridpath's History Now

BECAUSE it is the only general history recognized everywhere as authority, and is the life work of America's greatest historian.

BECAUSE it is complete. It begins with the oldest civilization and gives the complete history of every country and every race; in fact, the history of mankind including all achievements in war, discovery, invention, art, science, religion, philosophy and government.

BECAUSE it is the most beautifully illustrated of any historical work ever issued. It contains more than 2,000 illustrations. A famous educator has said that he considers the illustrations alone worth the entire cost of the set.

BECAUSE it will not only interest and instruct the average man or woman but it will delight the children. It is so beautifully written that children will learn to love history reading. It will start them along the line of reading good things, of becoming interested in that which is true instead of reading novels and trashy literature.

BECAUSE the new ninth volume tells the story of recent, we might almost say, current events. It gives the complete history of the Boer War, the Spanish-American War, and the more recent Russia-Japan War. It brings the history of every nation right to date.

BECAUSE Ridpath's History of the world is absolutely accurate and thoroughly reliable. Dr. Ridpath spent the span of an ordinary lifetime in writing the work.

BECAUSE this is your chance to buy it at a nominal price, much less than the work has ever been offered before or will ever be offered again, and you may pay in small sums monthly if you prefer.
